to see me off.
Please don't tell

No problem.
I've prepared everything
for your departure.

Focus on Koizumi for now.

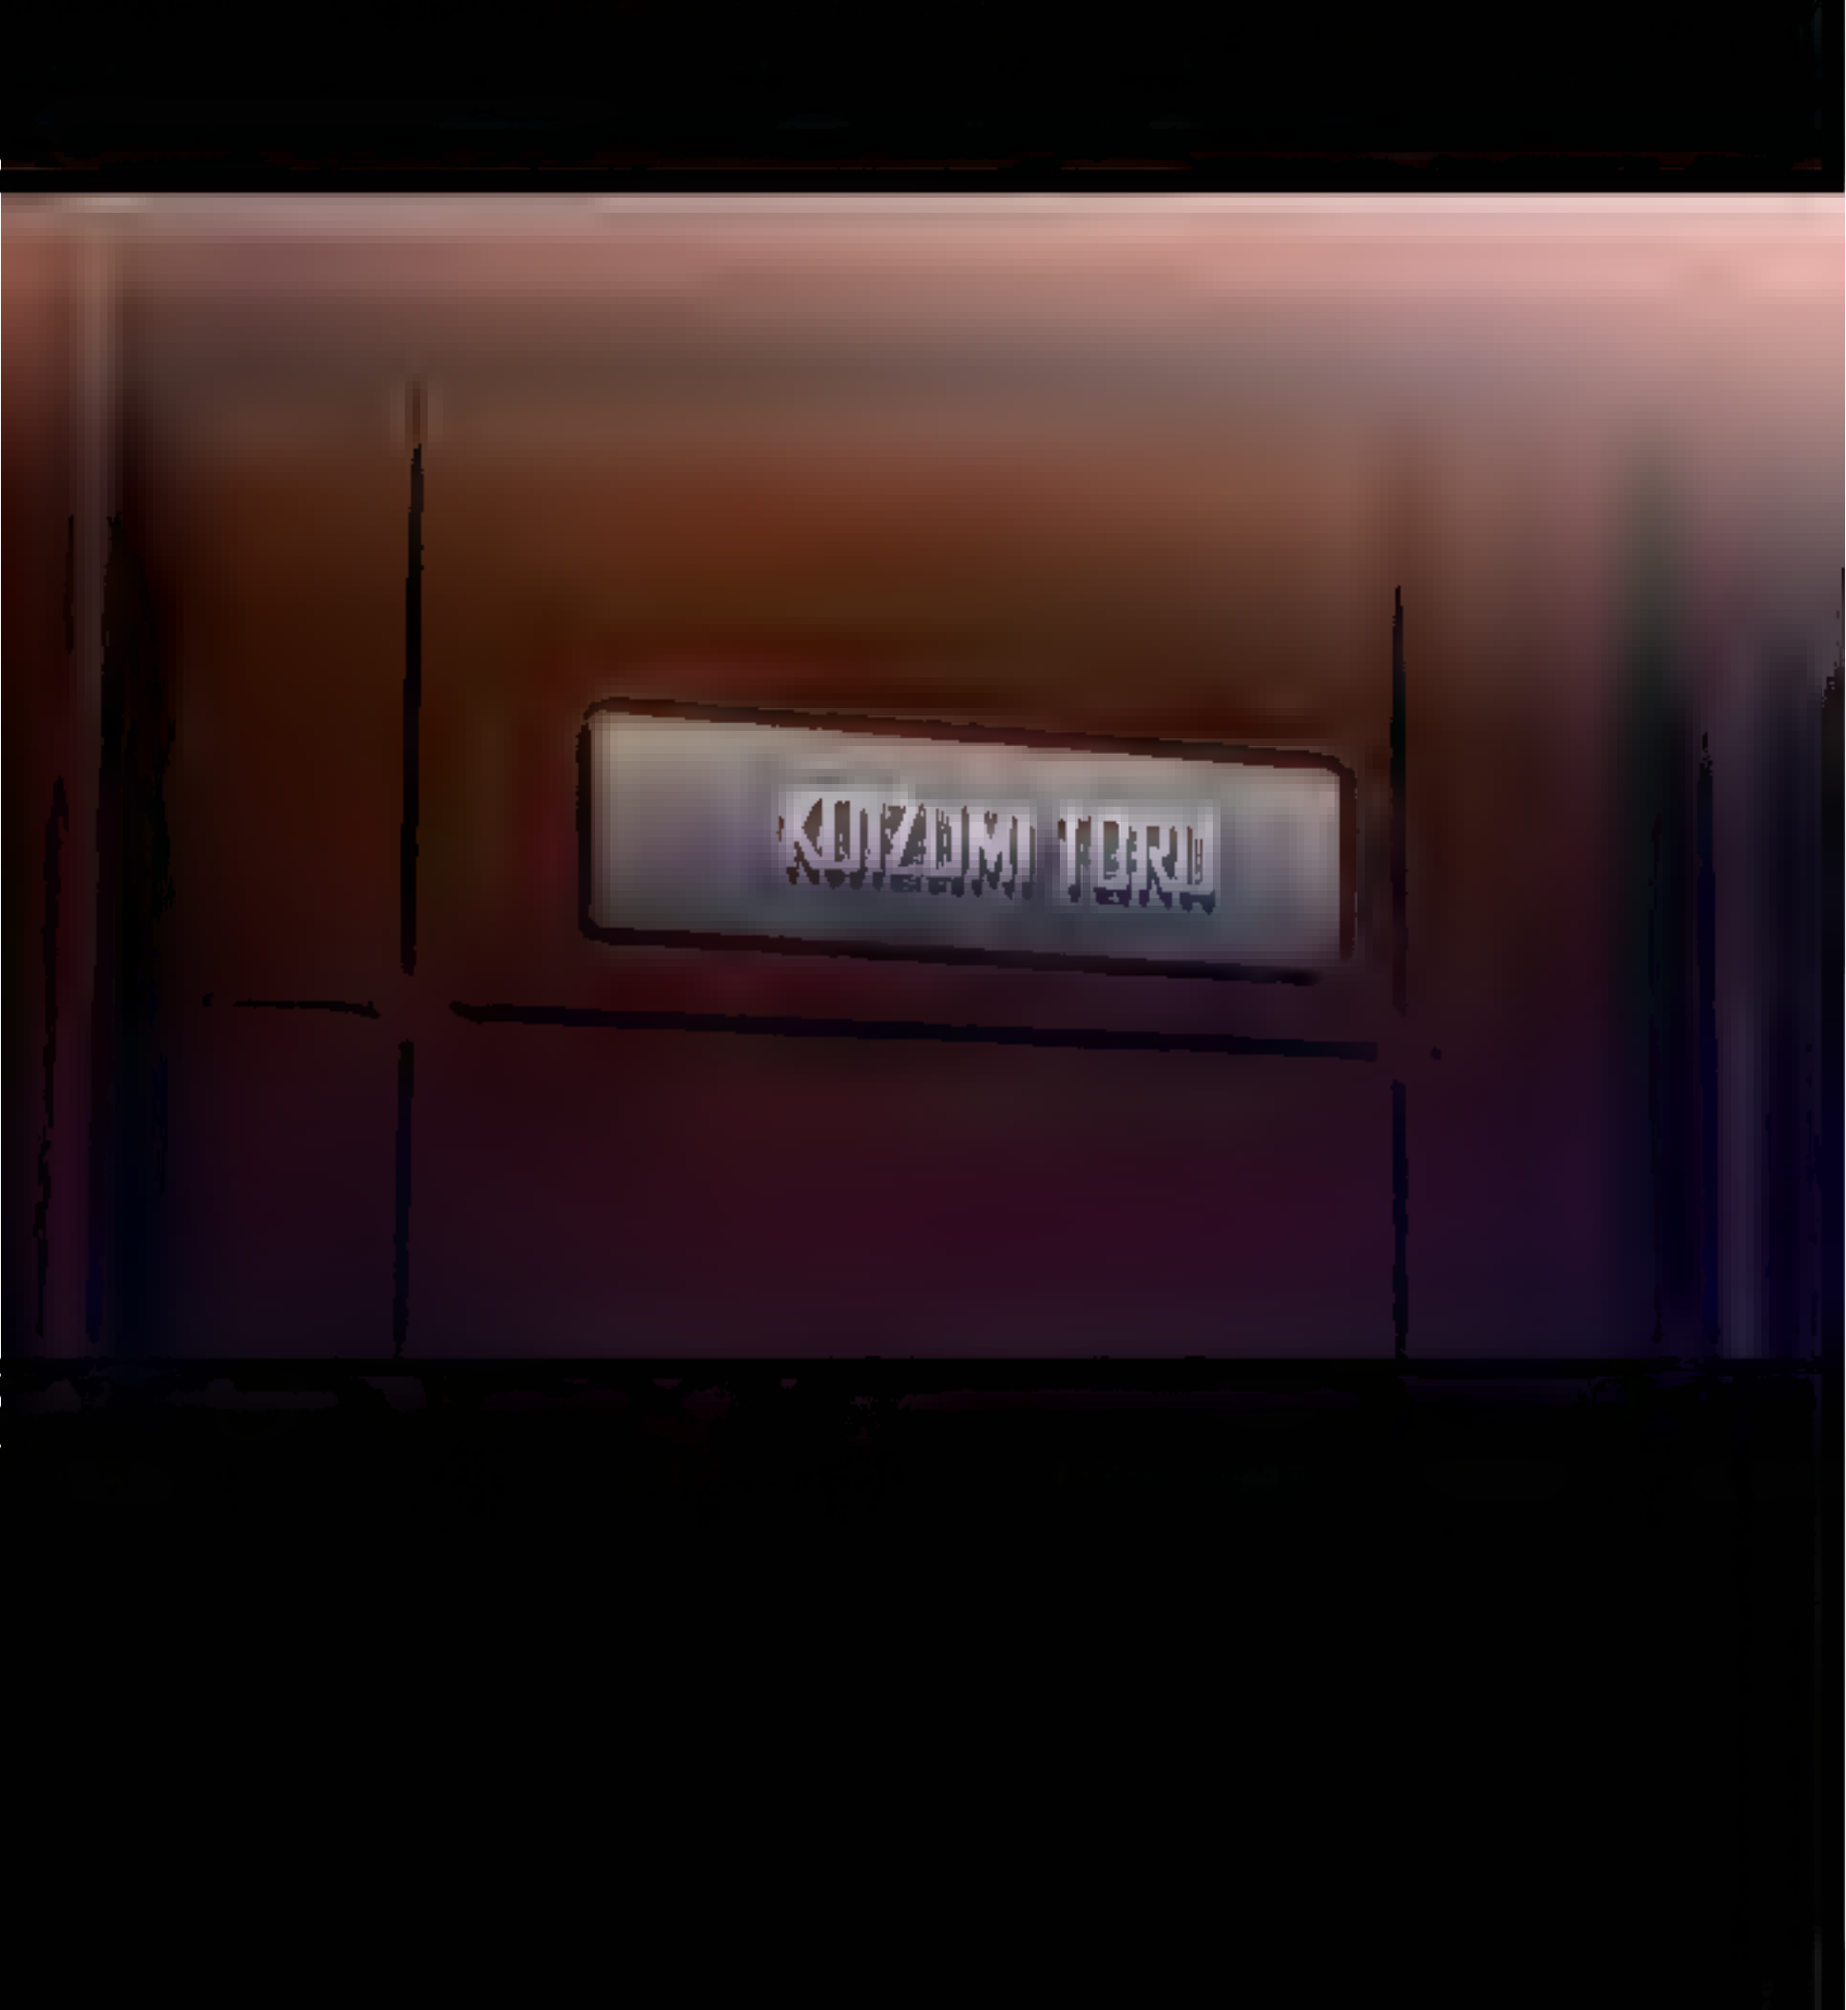
I have no idea how things will end but..

..if you fail, Anya might get caught up in this mess as well.

No she won't.
Trust me.
When I come back,
I will take her away
from Uncle Nathan.

Sumire..

..the fate of the Shimizu's lies in your hands now.



KOIZUMI TERU

What's this all about?

I don't have much time so I'll get straight to the point.

It's about your son.

Heh. What is this madness?

Are you really that desperate?

I came here to tell you something important. Not to negotiate.

Is that so?

I don't care about your conflict with my Grandfather. Do whatever you want.

But before I leave, I want to make sure Anya won't get involved because of your love affair from the past

For a kid, you sure have sharp tongue, don't you?
